Sperm cells will eventually cease living, but no one knows or can predict when this will occur, and it can vary from dog to dog. ICSB-GV shall not be held liable for, and cannot guarantee conception from, the use of frozen canine semen. Nor can ICSB-GV guarantee that the frozen sperm cells will be viable at the time of thawing for insemination.

I also understand that there are industry standard charges for packaging and shipping stored semen to another facility and for yearly storage. There are also charges for transferring storage locations, and future semen disposal, if I should ever choose to do so. I agree to pay yearly storage fees for this semen. These fees are subject to change without notice.

By my signature below, I understand and agree to these terms and conditions:
